

Memorandum of Understanding

Between

Bible Schools and Christian Training Institutions (BS)
&

Student Volunteer Movement 2 (SVM2)

Duration:

This MOU will be evaluated on an annual basis to see that it is working well. The details of the MOU are as follows.

Points of Agreement:

1. SVM2 serves as a platform through the existing structures of campus ministry organizations, denominations, training schools and mission sending agencies in a national setting by developing Memorandum's of Understanding (MOU) specifying the nature of the relationship with each one.
2. SVM2 promotes the (BS) on the country specific Student Mission Movement Partnership Page of its website (*please send your logo & URL*)
3. SVM2 promotes the Mission Conferences that (BS) holds through its country specific web page.
4. (Bible School) links to www.SVM2.net from its organization's website (*see the page on the SVM2 site with downloadable banner*).
5. If (BS) has a mission track emphasis, SVM2 promotes this on national "Training Opportunities" List (*see page 11 of Handbook*).
6. If (BS) is connected with a particular denomination or church network, SVM2 promotes that denominations' foreign mission opportunities on a national "GO List" of sending agencies. This list goes to students who make commitments to become a message bearer (alternative term for missionary) (*see page 10 of Handbook*).
7. SVM2 serves (BS) through providing proven methods (The Four Core Components) for developing cross-cultural mission vision which can be implemented into existing ministry structures in order to most effectively serve the needs of the particular organization (*see pages 9-10 of Handbook*):
 1. Global Prayer Teams
 2. Student Mission Fellowships
 3. Bible Studies on God's Heart for the Nations
 4. Calling Message Bearers (*see p. 4 & 9 of Handbook*)
6. (BS) makes their professors and staff aware of the vision of SVM2 and encourages them to become "Affiliates" of the initiative as they are led by the Spirit (*see pages 11-12 of Handbook*).
7. (BS) implements the Four Core Components and develops faith goals to pursue within their organizational structure in the following categories (*see pages 10 & 12 of Handbook*):
 1. Number of Global Prayer Teams
 2. Number of Student Mission Groups

3. Number of Bible Studies
4. Number of Message Bearers

Such goals from (BS) contribute to the national goals being pursued across the Four Sectors of the student mission world.

8. SVM2 makes available additional helpful tools and resources for “Affiliates” seeking to equip and envision their students regarding focused mission vision, such as (*see pages 12-13 of Handbook*):
 - a. Equipping Article Library
 - b. Free weekly “Abandoned Times” e-bulletin which includes challenging and equipping articles regarding living wholeheartedly for Jesus and involvement in His global purpose.
 - c. MP3 Library of messages relating to the Student Mission Movement
 - d. Message Bearer Journey online curriculum to prepare and train potential message bearers
 - e. Annual “21 Days for Global Harvest” international prayer campaign
 - f. Abandoned Devotion Prayer Gathering model with all pertinent pieces
9. (BS) sends the “Campus Facilitator” (see below), “Affiliates” and other interested parties to the annual “GO Summit” national goal setting meeting (*see page 16 of Handbook*).
10. (BS) encourages “Affiliates” to mobilize student leaders for participation in the annual IGNITE Training Conference (*see page 16 of Handbook*). (BS) is invited to have a booth at this event for publicity.
11. SVM2 leaders are available to serve (BS) through speaking engagements for conferences, special meetings, seminars, etc.
12. (BS) designates a “Campus Facilitator” to help implement the vision and tools throughout their student body (*see pages 11-12 of Handbook*).
13. (BS) “Campus Facilitator” provides SVM2 International Facilitation Center with detailed statistic information every four - six months of the progress made toward the specific goals set of the Four Core Components to track progress.
