

# GREAT COMMISSION LEADERSHIP I N S T I T U T E

## When:

3-14 September 2018

## Where:

Chiang Mai, Thailand

## What:

The Great Commission Leadership Institute (GCLI) is a two week program empowering local church and campus ministry leaders to mobilize and equip their local ministry's for the Great Commission. These leaders receive biblical, theological and practical understanding related to the Great Commission.

The GCLI combines classes with corporate prayer, bible study, dynamic reflection, group discussions and the development of a strategic action plan for each local ministry.

Located in Chiang Mai, Thailand, leaders experience a unique opportunity to study and encounter God in the context of an unreached people group.

## Impact:

- + Participants will be able to implement a proven framework for mobilizing and equipping their local ministry in the Great Commission.
- > Cultivate a discipleship emphasis toward deepening the individual and corporate spiritual life
- > Implement four proven cross-cultural mission mobilization tools
- > Develop and execute a sending strategy to unreached/ unengaged people groups
- > Empower every member to identify and become activated in their individual role in the Great Commission.

*"The Great Commission Leadership Institute gives you the sort of equipping to propel your ministry into the far reaches of the globe."*

– Ted Esler, President, Missio Nexus, USA

The Great Commission Leadership Institute offers optional Master's level credits through Asia Pacific Theological Seminary (Baguio, Philippines) that can then be transferred to most Seminaries/ Bible Schools internationally.

### Studies include:

- + Foundations of the Great Commission
- + Dynamics of Abandoned Devotion In the Church
- + The Six Roles of Believers In the Great Commission
- + Proven Tools For Mobilizing & Equipping Local Ministries
- + Dynamics of Spiritual Leadership
- + The Future of the Global Church

Instructors include experts in issues of mobilization. Participants are from a range of denominational, organizational and cultural backgrounds. Thai, Chinese, and Spanish language tracks are available.

Partial and full scholarships are available.
